

## Terms & Conditions

- User Consent:
  - I agree to the use of my personal data for the purpose of this feedback. I allow Viacom18 to contact me for the activities related to this feedback
  - By using Viacom18's service (for example, when you register as an alumni, register for an employment opportunity, enter a contest or promotion, communicate with us, on our sites), you agree to our collection, use and sharing of your personal information as described in this policy. In some cases, particularly if you reside in a country governed by a data protection regulation, we may ask you to provide explicit consent to access our services before proceeding for further operations.
- Artificial intelligence (AI) is being used by the Chatbot to respond to user's inquiries. In some cases, AI may need more information to correctly respond to user's query.
- The information provided by the Chatbot is for general information. The Chatbot provides information generated through user inquiries and the underlying algorithm. For system-related reasons, we cannot guarantee, do not commit and assume no responsibility for the accuracy, truthfulness and completeness of the information provided by the Chatbot.
- The user is required to review the policy terms available on the website [Product](#) for the specifics, and these terms will apply and govern the use of Chatbot by the user
- Information we collect automatically:
  - We collect information about you and your use of our service, your interactions with us and our service partners, as well as information regarding your computer or other devices used to access our service (such as mobile devices, tablets and other viewing devices). This information may include, but is not limited to:
  - Activities on the website such as type of pages viewed, time spent on pages, search queries etc.
  - Advertising identifiers, such as those found on the websites in the form of GAID or Cookie ID on browsers;
  - Information collected via the use of cookies and other technologies\* ;
  - \*Note: To improve the responsiveness of the "Website" for our users, we may use "cookies", or similar electronic tools to collect information to assign each visitor a unique, random number as a User Identification ("User ID") to understand the user's individual interests using the identified computer. Unless you voluntarily identify yourself (through registration, for example), we would not know who you are, even if we assign a cookie to your computer. The only personal information which a cookie can hold is the information you supply. A cookie cannot read data from your hard drive. Our advertisers may also assign their own cookies to your browser(s) (if you click on their ads), a process that we do not control. We receive and store certain types of information whenever you interact with us via website(s), through your computer/laptop/notebook/ mobile/tablet/pad/handheld device or any other electronic device capable of connecting to internet. For more details you can refer to our [Cookie Policy](#)
